

Dental Day at the Capitol 2022

Sample Phone/Email Script to Request a Virtual Meeting

Dear [Name],

My name is Dr. [redacted] and I am a Connecticut State Dental Association advocate and a constituent of Senator X/Representative Y. I would like to request a virtual appointment with Senator/Representative on Wednesday, April 20, 2022 to talk about the “Dental Bill of Rights” and other oral health related bills. If the Senator/Representative is unavailable, I would like to meet with the legislative aide.

Please feel free to contact me at [phone number and/or email] should you have any questions. I look forward to this “virtual” visit!

Thank you,

Name, DMD/DDS
